EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be conducted at the 2017 Annual General Meeting of Red Mountain Mining Limited (**Company**).

The Explanatory Statement and all attachments are important documents. They should be read carefully. The Directors recommend Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS

The first item of the Notice of Annual General Meeting deals with the receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2017 together with the Directors' declaration, the directors report, the Remuneration Report and the auditor's report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The reports are available on the Company's website at www.redmm.com.au.

No resolution is required to be moved in respect of this item. Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

The Chairman will also provide Shareholders a reasonable opportunity to ask the Auditor questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent Audit Report;
- the accounting policies adopted by the Company in relation to the preparation of accounts; and
- the independence of the Auditor in relation to the conduct of the audit.

2. RESOLUTION 1 - NON BINDING RESOLUTION TO ADOPT REMUNERATION REPORT

2.1 Background

The Directors' Report for the year ended 30 June 2017 contains a remuneration report which sets out the policy for and details of the remuneration of the Directors and executives of the Company for the year ended 30 June 2017 (**Remuneration Report**).

Pursuant to section 250R(2) of the Corporations Act, the Company must submit to its Shareholders the Remuneration Report for consideration and adoption at the Annual General Meeting. The Chair must allow a reasonable opportunity for the Shareholders to ask questions about, or make comments on, the Remuneration Report.

Section 250R(3) of the Corporations Act expressly provides that the vote on this Resolution is advisory only and does not bind the Directors or the Company. Pursuant to the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the Company. At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Shareholders should be aware that if the Remuneration Report for the year ended 30 June 2017 receives a strike at this Annual General Meeting, and a second strike is received at the 2018 general meeting, this may result in the re-election of the Board.

If you choose to appoint a proxy you are encouraged to direct your proxy how to vote on Resolution 1 by marking either "For", "Against" or "Abstain" on the Proxy Form for this item of business. If you appoint a member of the Key Management Personnel of the Company whose remuneration details are included in the Remuneration Report or a Closely Related Party of that member (except the Chair of the Meeting) as your proxy, and you do not direct that person on how to vote on this Resolution 1, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution 1.

If you appoint the Chair as your proxy (or the Chair becomes your proxy by default), and you do not direct the Chair on how to vote on this Resolution 1, then by signing and returning the Proxy Form you are giving express authorisation for the Chair to vote in accordance with his or her intentions, even though Resolution 1 is connected with the remuneration of a member of the Key Management Personnel of the Company. **The Chair intends to vote all undirected proxies FOR Resolution 1.**

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

2.2 Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

3. RESOLUTION 2 - ELECTION OF MR ROBERT PARTON AS A DIRECTOR

3.1 Background

Rule 7.2(b) of the Constitution states that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy or as an addition to the existing Board, but so that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Rule 7.3(f) of the Constitution provides that any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election.

Listing Rule 14.4 provides that a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

Mr Parton was appointed as a Director on 1 December 2016. In accordance with Rule 7.3(f) of the Constitution and Listing Rule 14.4, Mr Parton will retire and seek re-election as a Director at this Annual General Meeting.

Mr Parton has spent 20 years providing business analysis and management at companies including BHP, Kraft Foods, Crane Group, Mitre 10 and PDL Electronics (part of the Schneider Electric Group). Since 2006, Mr Parton has been providing corporate advisory services utilising his extensive experience in business management, project evaluation and capital-raising across various sectors including real estate, cleantech, IT and manufacturing. He has been involved in transaction management from sourcing, analysis and due diligence evaluation through to settlement and is a qualified accountant with over 20 years' membership with CPA Australia.

Mr Parton is currently a Director of The Pioneer Development Fund (Aust) Limited, Pure Minerals Limited, and has previously served on the board of ASX-listed companies Basper Limited (now Direct Money Limited), Teleso Technologies Limited, Motopia Limited and Viculus Limited.

3.2 Directors' Recommendation

The Board (other than Mr Parton) recommends that Shareholders vote in favour of Resolution 2.

The Chair intends to exercise all available proxies in favour of Resolution 2.

4. RESOLUTION 3 - RE-ELECTION OF MR LINCOLN HO AS A DIRECTOR

4.1 Background

In accordance with Rule 7.3(b) of the Constitution, at every annual general meeting of the Company an election of Directors must take place. Listing Rule 14.4 and Rule 7.3(a) of the Constitution prevent a Director from holding office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Ho was appointed to the Board by shareholders on 1 July 2016. With a background in equities trading for over 8 years, Mr Ho is the founding director of a private boutique corporate advisory firm in Australia. He has wide knowledge and experience in corporate restructure, mergers and acquisitions. Mr Ho has the ability to negotiate deals across local & overseas markets, working in conjunction with experienced corporate financiers across the emerging caps space. In particular, Mr Ho has a focus on a network of industry and finance contacts across South-East Asia.

4.2 Directors' Recommendation

The Board (other than Mr Ho) recommends that Shareholders vote in favour of Resolution 3.

The Chair intends to exercise all available proxies in favour of Resolution 3.

5. RESOLUTION 4 - RATIFICATION OF ISSUE OF 25,000,000 OPTIONS

5.1 Background

On 12 April 2017 the Company issued 25,000,000 Options, exercisable at \$0.018 each on or before 13 December 2019 (**RMXOH Options**) as part consideration for capital raising and corporate advisory services provided to the Company.

The RMXOH Options were issued under the Company's annual 15% placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.1 broadly provides that a company may, during any 12 month period, issue equity securities up to 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period without shareholder approval. ASX Listing Rule 7.1A enables certain eligible entities to seek shareholder approval to issue Equity Securities up to 10% of its issued share capital over a 12 month period after the annual general meeting at which a resolution for the purposes of ASX Listing Rule 7.1A is passed by special resolution. This additional 10% placement capacity is in addition to a company's 15% placement capacity under ASX Listing Rule 7.1. The Company obtained approval from Shareholders to issue Equity Securities under ASX Listing Rule 7.1A at the Company's last annual general meeting held on 15 November 2016.

ASX Listing Rule 7.4 permits the ratification of securities issued without shareholder approval under ASX Listing Rule 7.1 and ASX Listing Rule 7.1A. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 and ASX Listing Rule 7.1A (and provided that the previous issue did not breach ASX Listing Rule 7.1 and ASX Listing Rule 7.1A), those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1. The purpose of such ratification is to restore the Company's power to issue further securities without shareholder approval within the 15% limit under ASX Listing Rule 7.1 and additional 10% capacity under ASX Listing Rule 7.1A.

Accordingly, Resolution 4 seeks Shareholder ratification of the issue of the RMXOH Options under ASX Listing Rule 7.4 to provide flexibility for the Company to issue equity securities in the future up to the 15% placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.2 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the issue of the RMXOH the subject of Resolution 4:

- (a) 25,000,000 RMXOH Options were issued for nil cash consideration as they were issued as part consideration for capital raising and corporate advisory services;
- (b) the RMXOH Options have an exercise price of \$0.018 each and an expiry date of 13 December 2019. The full terms and conditions of the RMXOH Options are set out in Schedule 1 to this Explanatory Statement;
- (c) the RMXOH Options were issued to nominees of Xcel Capital Pty Ltd, none of whom are related parties of the Company;
- (d) no funds were raised from the issue of the RMXOH Options as they were issued as part consideration for the provision of capital raising and corporate advisory services; and
- (e) a voting exclusion statement for Resolution 4 is included in the Notice of Meeting preceding this Explanatory Statement.

5.3 Board recommendation

The Directors unanimously recommend Shareholders vote in favour of Resolution 4.

6 RESOLUTION 5 - RATIFICATION OF ISSUE OF 1,333,333 SHARES

6.1 Background

On 27 June 2017, the Company issued 1,333,333 Shares at a deemed issue price of \$0.03 per Share under the Company's annual 15% placement capacity under ASX Listing Rule 7.1 to a nominee of consultant Stocks Digital in lieu of a cash payment for marketing services provided to the Company.

A summary of ASX Listing Rule 7.1 and ASX Listing Rule 7.4 is provided in section 5.1 of this Explanatory Statement.

Accordingly, Resolution 5 seeks Shareholder ratification of the issue of the Shares set out above under ASX Listing Rule 7.4 to provide flexibility for the Company to issue equity securities in the future up to the 15% placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

6.2 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the issue of the Placement Shares the subject of Resolution 5:

- (a) 1,333,333 Shares were issued at a deemed issue price of \$0.03 per Share;

9. RESOLUTION 10 - APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

9.1 Background

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital over a 12 month period after the annual general meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if: (a) the entity has a market capitalisation of \$300 million or less; and (b) the entity is not included in the S&P ASX 300 Index, as at the time of the Annual General Meeting. The Company's market capitalisation as at 18 September 2017 is \$7,670,285 based on the closing price of the Company's shares on ASX on 18 September 2017. The Company is an eligible entity for the purposes of Listing Rule 7.1A as at the date of this Notice and is expected to be an eligible entity as at the time of the Annual General Meeting.

If Shareholders approve Resolution 10, the number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2 (as set out in Section 7.3 below).

The Company is putting Resolution 10 to Shareholders to seek approval to issue additional Equity Securities under the Additional 10% Placement Capacity.

9.2 Listing Rule 7.1A

Listing Rule 7.1A came into effect on 1 August 2012 and enables an eligible entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the eligible entity's 15% annual placement capacity.

The effect of Resolution 10 will be to permit the Company to issue the Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without subsequent Shareholder approval and without using the Company's 15% placement capacity under Listing Rule 7.1.

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice the Company has on issue four classes of quoted Equity Securities, namely Shares (ASX Code: RMX), Listed Options exercisable at \$0.048 each on or before 31 March 2018 (ASX Code: RMXOF), Listed Options exercisable at \$0.015 each on or before 21 November 2019 (ASX Code: RMXOG) and Listed Options exercisable at \$0.018 each on or before 13 December 2019 (ASX Code: RMXOH).

As at the date of this Notice, the Company has 511,352,320 Shares on issue. Accordingly, if Shareholders approve all of the resolutions at this Annual General Meeting, the Company will have the capacity to issue approximately 51,135,232 Equity Securities under the Additional 10% Placement Capacity. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities. The table below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

Resolution 10 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

9.3 Specific information required by Listing Rule 7.3A

The following information in relation to the Shares to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) Equity Securities issued under the Additional 10% Placement Capacity will be issued at an issue price of not less than 75% of the volume weighted average price for securities in the same class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

$(A \times D) - E$

A is the number of fully paid shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the previous 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (C) plus the number of fully paid shares issued in the previous 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval;

- (D) less the number of fully paid shares cancelled in the previous 12 months.

Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

If Resolution 10 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted (in the case of quoted Options, only if the quoted Options are exercised). There is also a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities, or the Equity Securities are issued as part consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders of the issue of the **maximum** number of Equity Securities under the Additional 10% Placement Capacity using different variables for the number of ordinary securities for variable "A" (as defined in Listing Rule 7.1A) and the market price of Shares. It is noted that variable "A" is based on the number of ordinary securities the Company has on issue at the time of the proposed issue of Equity Securities. Variable "A". The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The table shows:

- (i) examples of where variable "A" is calculated as at the date of this Notice of Meeting, and where variable "A" has increased by 50% and by 100%;
- (ii) examples of where the issue price of ordinary securities is the current market price as at close of trade on 18 September 2017 (**current market price**), where the issue price is halved, and where it is doubled; and

- (iii) the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution		
		\$0.008 Issue Price at half the current market price	\$0.015 Issue Price at current market price	\$0.030 Issue Price at double the current market price
Current Variable A 511,352,320 Shares	Shares issued	51,135,232	51,135,232	51,135,232
	Funds raised	\$383,514	\$767,028	\$1,534,057
50% increase in current Variable A 767,028,480 Shares	Shares issued	76,702,848	76,702,848	76,702,848
	Funds raised	\$572,271	\$1,150,543	\$2,301,085
100% increase in current variable A 1,022,704,640 Shares	Shares issued	102,270,464	102,270,464	102,270,464
	Funds raised	\$767,028	\$1,534,057	\$3,068,114

Note: this table assumes:

- (i) Current Variable A is 511,352,320, being the number of ordinary securities on issue at the date of this Notice of Meeting.
- (ii) The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity.
- (iii) The Company has not issued any other Equity Securities using its placement capacity under Listing Rule 7.1A in the 12 months preceding the Annual General Meeting.
- (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

- (vii) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (viii) The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes listed Options, it is assumed that those listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (ix) The issue price is \$0.015, being the closing price of the Shares on ASX on 18 September 2017.
- (c) Approval of the Additional 10% Placement Capacity will be valid from the date of the Annual General Meeting and will expire on the earlier of:
- (i) the date that is 12 months after the date of the Annual General Meeting; and
 - (ii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(Additional Placement Period).

The Company will only issue Equity Securities under the Additional 10% Placement Capacity during the Additional Placement Period.

- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) cash consideration. If Equity Securities are issued for cash consideration, the Company intends to use the funds for any of acquisition of new assets or investments (including the expenses associated with such acquisition), expenditure on the Company's current Philippines projects or new assets or investments or general working capital purposes; or
 - (ii) non-cash consideration for the acquisition of new assets, investments or for services provided to the Company. If Equity Securities are issued for non-cash consideration, the Company will comply with the minimum issue price limitation under Listing Rule 7.1A.3 in relation to such issue and will release the valuation of the non-cash consideration to the market.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy for the issue of Equity Securities under the Additional 10% Placement Capacity will be determined having regard to market conditions at the time of the proposed issue of Equity Securities, including consideration of the following matters:
- (i) the purpose of the issue;

- (ii) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities and whether the raising of any funds under such placement could be carried out by means of an entitlements offer, or a placement and an entitlements offer or other offer where existing Shareholders may participate;
- (iii) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issue of Equity Securities;
- (iv) the effect of the issue of the Equity Securities on the control of the Company;
- (v) the circumstances of the Company, including, but not limited to, the financial situation and solvency of the Company; and
- (vi) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

The recipients under the Additional 10% Placement Capacity have not been determined as at the date of this Notice but will not include related parties (or their associates) of the Company. The recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments. In the case of the issue of Equity Securities for services, the allottees will be service providers.

At the date of this Notice, the Company has not determined its allocation policy for the issue of Equity Securities under the Additional 10% Placement Capacity. The Company has not approached, and has not yet determined to approach, any particular existing security holders or an identifiable class of existing security holders to participate in an offer under the Additional 10% Placement Capacity.

- (f) Previous approval under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 15 November 2016 (**Previous Approval**).

In the 12 months preceding the date of the 2017 Annual General Meeting and as at the date of this Notice, the Company has issued 165,810,138 Equity Securities and this represents 48% of the total number of Equity Securities on issue at the commencement of that 12 month period.

Details of each issue of Equity Securities by the Company during the 12 months preceding the date of this Meeting are in Schedule 2.

- (g) A voting exclusion statement for Resolution 10 is included in the Notice preceding this Explanatory Statement.

In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Capacity), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

9.4 Board recommendation

The Board unanimously recommends Shareholders vote in favour of Resolution 10.

Proxy Form

XX

For your vote to be effective it must be received by 10:00am (WST) Sunday, 12 November 2017

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Signing Instructions

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
